Recommend to a Friend

Have you read a book so good you simply can’t keep it to yourself?
Colour in this bookmark, cut it out (you can stick it on card if you like) then fold it in half.
Now hand it to a friend who you think may love the book just as much as you!

Hey.................................................................

As part of SPACE CHASE
Summer Reading Challenge in libraries, I read

........................................................................................................
........................................................................................................
........................................................................................................
........................................................................................................
........................................................................................................
by .............................................................................................
........................................................................................................

It was (tick box):
Awesome □
Amazing □
Astonishing □

See you at the library!

Signed
